**"I am please to recommend the firm of Gravatt Consulting Group", Annette Fasano,  
President of F&G Builders, Inc**

**Since 1974 Gravatt Consulting Group(formally Gravatt,Geller & Assa.) has provided our  
company with expert engineering services! The level of personal service is unmatched by any  
other company and the accurate engineering they have provide has added to our company's  
success. From the smaller single family plot plans to major subdivisions, Gravatt Consulting  
Group's attention to detail is an asset to anyone needing engineering. What company can you  
call and speak directly to a licenced engineer with any questions you may have.....Gravatt  
Consulting Group!**

**Again, "If your not using Gravatt Consulting Group call me directly and I will tell you why  
you should."**

**Very Truly,**

  
**Annette Fasano, President**
